# Meera Krishnan

meera.krishnan@example.com | +91 90000 11223 | Bengaluru, India

## EXPERIENCE

### Machine Learning Engineer, HealthAI Labs (2022 - Present)

- Deployed LLM-based clinical-note summarization (GPT-4 + RAG) used by 300 clinicians
- Built FastAPI inference services with Redis caching; p95 latency under 400ms
- Set up prompt evaluation pipelines and A/B testing for model upgrades
- Dockerized services and deployed on AWS EKS with CI/CD via GitHub Actions

### Software Engineer, Infosys (2019 - 2022)

- Java and Python backend services for banking clients; SQL-heavy workflows

## SKILLS

Python, FastAPI, LangChain, RAG, FAISS, AWS, Docker, SQL, Redis, GitHub Actions

## EDUCATION

M.Tech Data Science, IIT Madras (2019)
